

About Sunridge

Explore SunRidge and discover a living example of dedication to sustainability. As Canada's first entirely "green" community, every element of this neighborhood has been carefully planned to make a positive impact on our environment for today and for future generations.

There is a place for everyone here. Whether you are looking for a smaller home to retire in, or a larger lot overlooking the park, you'll find what you're looking for in SunRidge. As a mixed density neighbourhood, anyone can become a part of the subdivision that is changing the future of community planning.
