

## Builders

Lethbridge Land is very selective when it comes to choosing builders in any of our communities. We take this a step further in SunRidge, where all of our builders must:

- demonstrable the ability to serve this community with leadership and commitment to sustainable building practices
- be a certified Built Green builder

The builders noted below have built demonstration homes in SunRidge, individually and collectively demonstrating the vast possibilities of living and building "green".

View a home build by these builders:

**Cedar Ridge**

By appointment, 403-894-7388

**Palmer Homes**

By appointment, 403-381-6336

**Triple M Homes**

By appointment, 403-394-6261
