As a new phase is introduced in SunRidge, we sell 50% of the lots to our selected group of builders. The remaining 50% are made available to the public. If you want to purchase a lot in SunRidge, you can go one of two ways:

1. **purchase a lot from Lethbridge Land**
2. **design and build a home with one of our selected builders**

Both streams have distinct advantages and both present some limitations. Explore your options and decide which best fits for you.
