

Rebate Program

Lethbridge Land has developed Canada's first Built Green residential community and is proud of their accomplishment. To encourage strong environmental stewardship in the Home Builder Industry, we provide financial incentives to maximize energy efficiency in their homes.

1. \$2,500 for Silver
2. \$3,500 for Gold

Also, check out the Climate Change Central website for additional rebates of up to \$10,000, plus many more opportunities for great savings.
